Letter no L.F.4.P.R 57/44-45 & 16/7/45

Requests sanction to the establishment of a weekly Shandy on every Monday at R. Bedanahalli, Huliyurdurga Hobli, Kunigal Taluk as resolved by the Board at their ... held on 15/6/1945.

Subd. R. Bedanahalli is reported to be situated in a central place and that it is at a distance of 10 to 12 miles from the nearest Shandy. The V.P. of the above Village have passed a resolution at their meeting held on 21-1-45 urging the establishment of a weekly Shandy at the place on every Monday.

2) It is stated that petitions have been received from Ujjini and other Seven Village Panchayets praying that the Shandy may be held at Ujjini instead of at R. Bedanahalli.

3) The Board considers that the objection of the people of Ujjini and other Villages is not justified and that the question of holding a Shandy may be considered separately. They have resolved that a Shandy be held on every Monday at R. Bedanahalli.

4) It is not clear whether a suitable site with shade and water facilities is available for the holding of a weekly Shandy

Sir,

Subject: Establishment of a weekly shandy at R.Bedrahalli in Kunigal Taluk.

--

In continuation of this office letter of even No. dated 14-8-46 on the above subject, I have the honour to state that S.No.50 which adjoins Byadarahalli tank (P.No.60) is reported to be best suited for holding the proposed weekly shandy as the water in the tank and the hippe trees in the survey number provide water facilities and shade to the cattle and men who go to the shandy. It is however reported that if the shandy were to be located in S.No.50 a road has to be formed and a culvert constructed. These facilities will of course be provided by the District Board.

In the circumstances stated above, I am of opinion that orders of Government may kindly be obtained to sanction a weekly shandy at R. Byadarahalli and to hold it in S.No.50 of R.Byadarahalli village.
